

Graduate School Student Travel Funding

Guidelines & Checklist

Funding will be allocated according to Texas Tech University and State of Texas travel regulations. Total funding cannot exceed what is allowed by law. The final approval of all committed funds will be left to the discretion of the Graduate School Dean, and is distributed on a first come-first served basis. Submission of this travel funding request does not grant automatic approval for travel funds. You will receive a decision after your **complete** travel funding request is received and reviewed. If funded, you will be given further instructions to work with the travel preparer in your department for the submission of your Travel Application and Voucher in the on-line TTUS Travel System. Once our funding is depleted, no further travel grants will be awarded during the fiscal year.
